DECLARATION

1. I, Charles M. Austin, am President of Preferred Communication Systems, Inc., the addressee of that certain letter, dated December 27, 2006, from Hillary S. Denigro, Chief, Investigations and Hearings Division, Enforcement Bureau, Federal Communications Commission in file No. EB-06-IH-2212 ("Letter").
2. The foregoing responses on behalf of the Licensee to the information requested by Inquiries Nos. 1-40 in the Letter are based on my personal knowledge.
3. The Information provided in response to Inquiries Nos. 1-40 and the documents provided in response to those Inquiries are all of the responsive information and documents that I have identified to be in the Licensee's possession, custody, control or knowledge, after diligent search and review, as of the date of this Declaration. The Licensee is continuing its search and review to determine if there are other relevant responsive materials dating back to January 1998.
4. I have relied upon the assistance of Charles J. Ryan III, esq. counsel in drafting the responses to Inquiries Nos. 1-40.
5. I have relied upon Affidavits and oral interviews and discussions with Pendleton Waugh and Michelle Bishop in preparing certain responses which deal with the history and actions taken by the respective individuals.
6. I have been assisted in assembling the responses and documents to certain Inquiries by Michael Lawler, my office assistant.

I declare under the penalty of perjury that the foregoing is true and correct.

Executed:

Charles M. Austin

AFFIDAVIT FROM MICHELLE BISHOP

I, Michelle Bishop do hereby affirm under the penalties of perjury that the following statements are true

and accurate to the best of my knowledge and belief:

1. I served as Secretary and Treasurer for the company known as Preferred Communication Systems, Inc. ("Preferred" or the "Company") from approximately January 17, 1998 to May 31, 2001.

2. I served as the original incorporating Director and as Vice President and Secretary for Preferred Acquisitions, Inc. ("PAI") from July 23, 1999 to May 31, 2001.

3. During that period of time, I was an employee of Preferred Communication Systems, Inc. and received a W-2 from the Company reflecting my salary.

4. I have not received any stock or other form of equity compensation either at the time of Preferred's incorporation or since such date directly or indirectly related to my employment.

5. On or about May 31, 2001, I resigned from the position of Secretary and Treasurer of Preferred and Director, Vice President and Secretary of PAI after discussions between my husband, Jay R.

Bishop, Mr. Charles M Austin, then President of Preferred and myself.

6. From time to time since my resignation from my positions with Preferred and PAI, I have received phone calls from various people working for or with Preferred asking if I remembered actions that I took on various corporate matters including providing certain historical background and assisting Mr. Charles Austin in responding to a FCC Letter of Inquiry. I also have

maintained a personal relationship with Charles M. Austin.

7. My husband, Jay Bishop, was one of the "founding" or Core/Initial members of the Company. There currently exists a verbal agreement between Charles M. Austin on behalf of Preferred, my husband and myself that the Company would issue a total of 800,000 shares of Preferred's Common Stock to my husband as compensation for assisting in the start-up of Preferred, initially

via direct shares of stock and ultimately through a trust arrangement.

8. As of the date of this affidavit, no shares of stock have been issued by Preferred to my husband or to me either directly or indirectly, and no trust has been formed.
 9. I drafted and prepared certificate 17 (C-17) for transfer to the Raymond A. Hebrank Voting Trust for the Benefit of Mr. Pendleton Waugh, but as no trust had been created (no EIN provided to me and no funds were paid to me), I could not transfer the certificate.
 10. During my tenure as secretary of Preferred no shares were transferred to the Raymond A. Hebrank Voting Trust, Mr. Waugh, Mr. Hebrank, or to any other trust or other entity for the benefit of Mr. Waugh.
 11. In preparation for the Federal Communications Commission Auction #34 in 2000, I prepared FCC Form 175 on behalf of PAI. I typed into the form the information to the best of my then knowledge and belief to be accurate and true.
 12. At the time of preparation of Form 175, I had the assistance of Pendleton Waugh and David Kaufman, an attorney with considerable FCC experience. Mr. Kaufman dictated to me the language that was included in the two footnotes in Form 175 concerning the verbal agreements between the Company and the Raymond A. Hebrank Voting Trust and my husband and me for Preferred to transfer 800,000 shares of Common Stock to (1) the Raymond A. Hebrank Voting Trust and (2) a voting trust to be established by my husband and me and the need for Preferred to file a transfer of control application with respect to such verbal agreements for FCC approval prior to the transfer of such shares. Moreover, Mr. Kaufman explained to me that since Mr. Austin then owned more than 50% of the issued and outstanding shares of the Company's stock he was considered for purposes of determining his indirect ownership of PAI, the FCC Auction #34 applicant, the holder of 100% of the issued and outstanding shares of the PAI. I therefore recoded Mr. Austin's indirect ownership of the applicant in Form 175 as 100%.
 13. At the time of preparing Form 175, I was aware of various ongoing discussions between my husband, Mr. Austin, Mr. Hebrank and Mr. Charles Guskey pertaining to their respective share
-

ownership of the Company. However, to the best of my knowledge and belief, no resolution of share ownership of Preferred occurred either before, during or after FCC Auction #34.

14. Consistent with my understanding from Mr. Kaufman at the time of preparing Form 175, I subsequently prepared FCC Forms 601 & 602 utilizing the same information and beliefs that I had at the time of creating Form 175, as no changes had occurred to resolve the outstanding share ownership of Preferred.

15. I do not have a current resume.

Respectfully submitted this 26th day of January 2007:

Michelle Bishop

Affidavit of Pendleton C. Waugh

I, *Pendleton C. Waugh*, hereby do affirm under penalty of perjury that the statements set forth below are true and accurate to the best of my knowledge and belief:

1. I have been provided a copy of a Letter of Inquiry ("LOI") from the Federal Communications Commission ("FCC" or "Commission") to Preferred Communication Systems, Inc. ("Preferred" or the "Company") dated December 27, 2006 and have read the LOI in its entirety.
 2. In January 1995 I was convicted in the U.S. District Court for the Northern District of Texas of conspiracy to violate the currency transaction reporting statute and sentenced to twenty-one (21) months incarceration. I also was fined \$20,000. My sentence later was reduced to fifteen (15) months incarceration. The facts and circumstances involving this conviction occurred during July-August 1992.
 3. In May 1999 I was convicted in a Dallas County criminal court of securities fraud involving \$72,000 and sentenced to four (4) years probation. Pursuant to such probation, I was required to pay \$72,000 as restitution and provide five hundred (500) hours of community service. The securities fraud charges were based upon the failure of a limited liability company to disclose certain facts to seven of its members. The facts and circumstances involving this conviction occurred during September 1993-April 1994.
 4. Since my conviction in 1995 I have acknowledged both publicly and privately that due to FCC rules and policies relating to Character qualifications that I am prohibited from having any authority over any license granted by the Commission.
 5. I have neither served in any management position with Preferred or any of its subsidiary corporations nor performed any management functions with the Company or its subsidiary corporations.
 6. Since August 1998 I have served as a consultant to Preferred. I have received a Form 1099 for each of the years I have performed consulting services and been compensated by the Company.
 7. I have never been issued shares of stock of Preferred or any of its subsidiaries.
 8. I am not the beneficiary of any trust that has been issued shares of stock of the Company or any of its subsidiaries.
 9. Although I was not a founder of Preferred, I typically was included in the "Core Group" in memoranda and spreadsheets prepared by various parties to seek resolution of disputes between certain individuals and the trustee of the Raymond Hebrank Voting Trust with respect to the equity ownership of the Company.
-

10. Contemporaneously with the formation of Preferred, Charles Austin, Jay Bishop and I agreed verbally that each us, or our designated assigns, would hold one-third (1/3) of the equity ownership of the Company. At that time each of us understood that due to my previous criminal conviction I could not directly hold shares of the Company's stock.
 11. In early 2000 I sought to create a voting trust complying with both FCC and Securities and Exchange ("SEC") rules. Based upon these rules as I understood them, I requested that Charles Austin and Jay Bishop identify one or more candidates with whom I had no prior business or personal relationship and who would be willing to serve as trustee of such a trust.
 12. In March 2000 Charles Austin invited me a meeting in Palm Springs, California to meet with Raymond Hebrank. I had never talked with or met Mr. Hebrank prior to such meeting. At the conclusion of such meeting, Mr. Hebrank agreed to serve as trustee of a voting trust to be established on my behalf and I accepted him as the trustee for such trust upon the terms and conditions set forth in the Trust Agreement dated April 14, 2000 attached hereto as Exhibit 1.
 13. Due to a lack of funds in 2000 and thereafter, I failed to pay Mr. Hebrank for his services as trustee of the Raymond A. Hebrank Voting Trust until October 2006.
 14. I have never received documentation including, but not limited to, tax returns, or any other tax documents, proxies, or other voting information, annual reports, updates of Company information which would have been mailed to the trust on my behalf in the ordinary course of business.
 15. In April 2005, Mr. Hebrank and I amended and restated the Raymond A. Hebrank Voting Trust Agreement.
 16. As of the date of this affidavit, I do not have a financial interest in Preferred or any of its subsidiary corporations.
 19. As of the date of this Affidavit, to my knowledge and belief no voting trust has been created for the benefit of and no shares of the Company's stock have been issued to Jay Bishop and/or Michelle Bishop.
 22. To my knowledge and belief, Preferred Spectrum Acquisition, Inc. ("PSA") was formed as a wholly-owned subsidiary corporation of Preferred to participate in FCC Auction #44. When it failed to raise a sufficient deposit to bid on upon a considerable number of licenses, Preferred determined not to participate in that Auction. To my knowledge and belief, PSA has been inactive since 2004.
 23. To my knowledge and belief, Preferred Partners, LLC ("Preferred Partners") was formed to participate in FCC Auction #58. To my knowledge and belief, Preferred and Charles M Austin was unaware of the creation of this limited liability company by certain individuals participating in raising funds for Preferred. When this limited liability
-

company failed to raise considerable funds for a deposit to bid upon several licenses in this Auction, its management determined not to participate in the Auction. To my knowledge and belief, this limited liability company has been inactive since 2005.

24. During 2000, I borrowed approximately \$20,000 from Chandu Patel to assist me in paying the monthly restitution amounts to the Dallas County Adult Supervision Department. To date, I have lacked the funds to repay any of the amount advanced.

(b) Limitation on Indemnification. Waugh shall not be required to indemnify the Voting Trustee in his individual capacity (i) in the case of (and the Voting Trustee in his individual capacity agrees to assume liability for and hold Waugh harmless from) all liabilities, obligations, losses, damages, penalties, taxes, claims, actions, suits, out-of-pocket costs, expenses or disbursements (including, without any limitation, legal fees and expenses) of any kind and nature whatsoever resulting from or arising out of or which would not have occurred but for or which is in the nature of one or more of the following: (a) the willful misconduct or gross negligence on the part of the Voting Trustee or his successors, assigns, servants, agents, affiliates or employees in the performance or nonperformance of his duties hereunder; or (b) breach by the Voting Trustee, in his individual capacity, of his covenants in Article V; or (c) the failure of the Voting Trustee to use ordinary care to disburse funds. Such removal will be effective upon the acceptance of appointment by the successor Voting Trustee under Section 8.1 (b) hereof. In the case of resignation or removal of the Voting Trustee, Waugh may appoint a successor Voting Trustee by an instrument signed by Waugh. If a successor Voting Trustee shall not have been appointed within 30 days after such notice of resignation or removal, the Voting Trustee or Waugh may apply to any court of competent jurisdiction to appoint a successor Voting Trustee to act until such time, if any, as a successor shall be appointed as provided in this Section 8.1 (a). Any successor Voting Trustee so appointed by such court immediately shall and without further act be superseded by any successor Voting Trustee appointed as provided in this Section.
